Join MSGAO For Our Last Dog Wash!

It's so hard to believe that MSGAO is in the last year of the program, and this is our last annual Dog Wash. We have had an amazing program, and it's truly because of all of our terrific supporters (**YOU!**) and our volunteers. Thank you!

I hope you will plan to bring your greyhound(s) to this last big fund raiser for MSGAO. Although it's our last year, we still have expenses to pay, mainly greyhounds to feed and vet until they find their forever family to care for them. This is as important to us today as it was the first day MSGAO began. It is *always* about the care of the dogs!

To celebrate this last gathering event, we have designed a final-year commemorative t-shirt. We are offering these for pre-order only, to be picked up at the Dog Wash. I'm sure you understand that we are trying to keep our expenses low, so we don't want to order too many t-shirts. Take a look at the front & back designs below. The front decal features a redhead and a greyhound popping out of a decal pocket, in honor of our own Vicki Cohen, who still gives of what little time

she has to help us. This is the only time we will be offering these t-shirts, so be sure to order before the deadline of April 13. See the design and link below to order. (Note: Shirts MUST BE ordered in advance. NO extras will be ordered.)

We are not offering dog shaves at this Dog Wash to help save time (we expect a big crowd). However, you can always schedule a shave later at the kennel for \$80 per dog. We will also have a muffins and juice during the morning, and a BBQ lunch provided by Paul and Vicki Cohen in the afternoon. Vicki will be at MSGAO all day, so she has plenty of time to visit will all of you. I think gatherings like this, where we can visit and see our greyhounds, is what we at MSGAO are going to miss the most.

As I mentioned before, even though this is our last year, we still have the same expenses until the last greyhound finds a home. If you can, please consider a donation to help our retired hounds. If you want to help with kennel supplies, we need bleach and Kirkland's Domain Beef and Sweet Potato dog food (Costco brands). See the links below.

Thank you for everything you do to help MSGAO! See you at the Dog Wash!
